Newsletter Number 6

Dear Parent / Carer,

Thank you to everyone who helped to make our recent 'Great Hazlehurst Bake Off' event such a great success. There were 85 entries and the standard of baking was amazing. Thanks to our judges, Cath from Cake Craft and Judith from Park Farm; the competitors' names were removed from all the entries prior to their arrival and then they had the tricky job of picking the best bakes in each category. Congratulations to all the winners and especially to Lucy Carroll in Year 6 for being pronounced Star Baker! The event raised over £450 for school. Well done!

Unfortunately, it appears that several children in school are being exposed to unsuitable video games at home. These games contain violent and inappropriate content for young children and I am very saddened to think that their childhood innocence is being undermined in this way. It is clearly identified by social services as a form of child abuse by neglect to allow children to view such material. Please check the age rating on all games and films and make sure that your child does not view anything unsuitable for them. Children grow up quickly enough without the need for this kind of 'entertainment'. Thank you.

School closes this Friday for half term and re-opens on Monday 31 October. In the week after half term we will be having a Book Fair every night after school, starting on Tuesday 1 Nov. Please feel free to come in and browse the books. Every book purchased will generate about 50% commission for new school library books, so it is a great way to boost the school library as well as getting nice new books to read at home.

Have a lovely half term holiday next week.

Yours sincerely,

M Golding
