		Action by	Date
1.	<u>Welcome and apologies</u> See above.		
2.	<u>DUCK RACE</u> - Made £20 on tickets sales. Thanks to our sellers for setting up the playground stall!		
3.	<u>PLANT SALE</u> A great success, with all plants looking lovely, all orders going out efficiently and quickly- thanks to team of sorters. We just made the minimum £500 order for delivery- Next year we will also do a leaflet drop around the school area (and make sure we get Mrs Little and Mr G's orders in as they made up 40% of this year's plant sales!) Next year- we should order a small school order to sell on the day in the playground- (bit of veg/ hanging baskets and a few of the popular varieties-for the people who like to see before they buy!) NB-Plant sale money goes directly into school funds.		
4.	<u>SENSORY GARDEN</u> Council Landscape Architect finally fed back plans, but we agreed these looked as bit rushed with a few inaccuracies. He advised us on how best to lay the drains to run into the current drainage network –we need to keep these suggestions in mind with any new plans. His services would be expensive, so we will also look at an alternative. Recommended are local-school approved company- GROUNDWORKS on Moorbottom Rd, to quote/draw up larger scale more detailed plans. We should decide who to go with once we have a comparison. (NL to arrange this within the 12 weeks that we need to wait re our Lottery funding bid outcome). *P Anderson has also given our plans to BAM , they are looking into any possibilities where they may be able to offer/donate help. Awaiting feedback...	NL PA	
5.	<u>THE PITCH- Sat 9th June (9.30-12.30)</u>
