

School Council Minutes

Y2, Y3, Y4, Y5, Y6, Rec

12th November

Y2 suggestions:

- More fish – good idea but may need advice from company
- Slide, Swings, bouncy castle – health & safety risk. Too many children for a few swings
- Footballs – will blow up more if needed – Ask Mrs Knowles
- Football net on top yard – TA, LB to ask Mr Golding. Mr Golding thinks this is a great idea – Council to look into the cost of this.

Y3

- Lost property box – If everyone has their names in their clothing then they will find their way back to their owners
- More playtime toys – already have a large selection. Balls get thrown onto roof and then need to be rescued by Mr Hughes. He can't do it every day!

Y5

- Theme days – have one per term. It's exciting because it doesn't happen all the time.
- Charity days – already doing this for Children in Need
- More access to the pond – you can go down to the pond all year round. To go on the decking, you have to have your class teacher

Reception

- Bird hide and bird boxes – Not quiet enough when children are playing outside to use it. The birds will fly away. Bird feeders are a good idea.

Y6

- More wet playtime toys – This is individual to classes. Teachers have a class budget to spend and so children need to speak to their own class teacher.
- More reading books by popular authors – If classes put together a list of books they want to buy then Mrs Knowles will organise buying them.
- More trips – this is down to your class teacher and also the cost of the trips.

Y4

- More books – see point above
- More balls – would have lots of balls if children didn't throw them over the fence and on the roof. If children did not kick the pink balls and everyone played with them near the pro shot and not the fence then we would not have a problem.
- More shuttlecocks, stilts – can buy these.

School Council Task

Give out the road safety competition sheets (Prizes for the best entry in each class) and make sure you tell your class about their suggestions (above).

Next meeting: 3rd December, 12pm in Y2 – Bring competition entries with you
