

School Council Minutes

18th May 2015

Present: Y1, 2,3,4,5 Mrs Knowles

Classes were asked to discuss their ideas for play equipment outside:

Y1

Cricket sets – we have lots

Skipping ropes – yes

Netballs – yes

Hula hoops – yes

Bubble sets – these would get broken or run out very often

Y2

Skittle for bowling – we have these in the shed

Footballs – yes

Chalks – yes we will buy a set of these to put near the picnic tables

Craft box – this would blow away outside

Big board games – we have had connect four and all the children used the parts badly. We will investigate large games

Ankle twisters – yes we can buy more of these

Bats – yes

Tennis balls – we will try to buy some that bounce that aren't green
