1. The council gave suggestions for themes in the Golden Book each week: super behaviour, forgiveness, making the teacher smile, friendly, healthy, good listening, sharing, thoughtful, hardworking, encouragement, politeness, helpfulness, enthusiasm, looking smart
Thank you for so many good suggestions
 2. Can we have a covered bike rack? The council decided no as not many children leave bikes outside so it is not needed
 3. Can we bring back the weekly challenge? We will try to get this back up and running in the New Year!
